Very first time ...

Hurts
Hurts
Hurts
Hurts
Hurts
Hurts
Hurts
Hurts
Hurts
Hurts
Hurts
Hurts
Hurts
Hurts
Hurts

Shower .

The water is stinging.
Something invisible with long fingernails
Is sliding over me.
The drain is drinking pink water.
I am too tired.
I shut my eyes as hard as i can.
This is cold...

Hungry .

My stomach hurts.
It is eating itself.
I hope it eats the rest of me too.
I will just sit here and dissolve.
Microwave...

Microwave beep .

It goes beep

Beep Beep

And my noodles is still cold

In the middle.

Just like me.

Haha.

That was a joke.

Laugh.

Scissors .

I am holding the scissors
And staring at my bangs.
If I cut them all off
I will look like an egg.
An ugly egg.
Snip.

Gyaru .

I glued giant sparkles to my face.
I am blinding the sun.
Take that, sun.
I am the cutest, shiniest blob.
Shine, my freckles!

Yukari .

I couldn’t recognize her at first.
Little round burn marks everywhere.
And purple spots.
Scars.
She is a bruised galaxy.
Someone put out all their anger on her.
She is a modern art now.
Do not touch the exhibit.
I repeat.
I smiled like an idiot.

Grass .

As we fell on the grass
I kept glazing at her.
Her laughing about some stupid shit
I thought
I am really happy right now.

Train.

It is old.
The seats are sticky.
The train goes *clack-clack*.
It is a very loud heartbeat.
You are looking at nothing.
I thought, this is taking a while.
You live so far away.

Taxi .

Why are you so afraid of me?
Why are you so afraid to speak?
Why do you keep checking the map?
You act so confident online.
Yet you are so scared in real life.

Barcode .

I am looking at my arms.
I am looking at my thighs.
I have so many lines.
I am a barcode.
I am a grocery store item at 3 AM.
Scan me
Scan me
Scan me
Scan me
Scan me
Scan me
Scan me
Scan me
Scan me
Scan me
Scan me
Scan me
Scan me
Beep.
Item not found.
Item not found.
Put it back on the shelf.
It is expired anyway.
Cleanup on aisle me.

Braces .

There is metal glued to my bones.
The wires are slicing my mouth.
I taste like pennies.
I am a shiny, bloody bear trap!
Snap.

Stop staring .

The poster on my wall
Is looking at me.
The anime girl's eyes are
Are staring at me.
Stop judging me.
You are just paper.
I could rip you in half !
But I will not.
Because you cost me twenty dollars.

Cat .

Scared.
So much.
Like a scaredy cat.

Refrigerator hum .

Hummmmmmmmmm
Hummmmmmmmmm
Hummmmmmmmmm
Hummmmmmmmmm
Hummmmmmmmmm
It stopped.

Pills .

My liver hurts really bad
It is a very sharp pain
I have to take my medication for it
I swallow the pills so it will stop.
But it still hurts.
If it does not stop hurting
I am going to stab it with a knife.
Get this stupid liver!

Plastic bag .

A plastic bag is blowing
In the wind outside my window.
It thinks it is beautiful.
It thinks it is in a movie.
It is just garbage.
Go home, bag.
You are trash.

I love you 2 .

I wake up in the morning
I open the window
And the birds go
Chirp chirp chirp
Feathers and shit
I am going back to sleep

Jester .

You are such a clown!!!
Ladies and gentlemen.
Applauds.
Stop laughing at me.
Stop
Stop
Stop
Stop

Devil .

You made a contract with the devil.
You are a spirit forever now!
Booooo
Booooo
Booooo
Booooo
Booooo!!!!!

Shrimp .

My throat is a crushed soda can.
I cannot get any air in.
Shoe goes into my stomach.
Oh no, the piercing!
Finally air goes through.
I am curling up on the floor now.
I am a bruised shrimp.
I am just an angry shrimp on the floor.
Leave the shrimp alone.

Tracks .

The lines on my arms are screaming.
The lines on my thighs are screaming.
They are vibrating.
Like train tracks when the train is coming.
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
Itch
I am sitting on my hands so I do not scratch.
If I scratch, the tracks will break.
And the little trains inside my skin will crash.
Choo choo.
Oh no.
A disaster.
Send the ambulances.

E-mail .

It’s been hours.
I been staring.
When are they gonna reply...
They probably never will.
All you have to do is just look up.
Ceiling.
Cracks and grainy.
All flowing.
Acid hit me earlier than i thought.
The shapes are so funny.
They stare at me.
I say hi.
They ignore me.
When are they gonna reply...
They probably never will.

Apartment .

I touched the doorknob
And it shocked me.
: (
The door clicked.
Everything is quiet.
The place smells like peaches
And clean laundry.
It is very bright.
And decorated well.
And i thought.
You live so much better than me.

Balcony .

The air is cold.
Leaning on the railing.
Smoke is coming out of my mouth.
I haven't done this in a while.
It looks like a ghost leaving.
I thought
It feels really weird sharing a cigarette.

A Kiss .

We are pressing our faces together.
It is wet and strange.
I am trying to breathe through my nose
But I am forgetting how to do it.
Am I doing it right?
I hope I don't taste like
Cold microwave noodles.
I think i want to melt into your mouth
And stay there until I lose all my favor.

Ticking .

The clock is ticking.
Tick Tock Tick Tock
I am going insane.
I wish it lasted forever.

Dust bunnies .

I look under my bed
And there are dust bunnies.
I want to eat them
So I can become dusty
And people will sneeze when
They come near me.
Choo !

Blanket .

I am so tired.
I pulled the blanket over my face.
I am not moving.
I hope I rot into the mattress.
Leave the lump alone.
Thread count.

Text message .

You texted me "k".
Just "k".
Not even a capital K.
Or an okay.
Just a lowercase k.
I am going to throw my phone
Out of the window.

Garden .

I want to be a flower.
An orchid.
Or a daisy, i don’t mind
But god forbid a tulip.

Ding .

Ding.
It’s the delivery.
I finally got it.
It’s all new and clean. It’s so shiny.
You are about to cut. It’s so scary.
Whatever, slice it already.
!
Ding.
It’s my friend.
The beautiful notification that
Makes you feel not alone.
You stop for a second. So relieved.
You check the message. Random meme.
Whatever, slice it already.
